EDUCATION

University Institute Of Engineering & Technology

2020 - 2024

B.E. - Information Technology | CGPA: 8.87 / 10.00

Demonstration Multipurpose School(RIE), Ajmer

2019

12th | Percentage: 89.80 / 100.00

Demonstration Multipurpose School (RIE), Ajmer

2017

10th | CGPA: 10.00 / 10.00

INTERSHIPS

WTS Business Solutions

01 Jun, 2023 - 17 Jul, 2023

Software Engineering Intern

Key Skills: HTML Tailwind CSS Reactjs Firebase Trello

Completed a 6 week Web-Development summer internship at WebTechStreet under the guidance of Mr. Anand Upadhyay (Founder)

- Developed, and implemented UI for various pages and added new features in multiple web applications using the React-JS framework.
- Developed proficiency in effectively utilizing GitHub's collaborative features for project management and efficient version control.
- Contributed to project success by applying newly acquired knowledge as well as demonstrating adaptability and a strong work ethic.

PROJECTS

Chart Builder

01 Jun, 2023 - 14 Jul, 2023

Mentor: Mr. Anand Upadhyay | **Team Size:** 2

Key Skills: HTML Tailwind CSS ReactJS ChartJS Firebase Trello

Project Link: <https://github.com/Jai-Marothiya/Funcky-Charts>

Developed an intuitive UI that enables users to create customizable charts and a live preview feature to facilitate the real-time visualization

- Integrated Firebase authentication to provide a secure login facility and an admin dashboard for the users and, ensured data privacy.
- Implemented a PDF download feature for users to save and share their charts effortlessly which enhances the usability and versatility.
- Provided a destruction-free mode for users to conveniently enter data for their projects, as well as data entry via CSV import and export.
- In the future, functionality will be expanded by providing users with an embed code for smooth integration into the websites and CMS.

Online Seafood Market Portal

01 Nov, 2022 - 30 Nov, 2022

Team Size: 1

Key Skills: HTML Tailwind CSS ReactJS Firebase

Project Link: <https://reactjs-seafood-market.netlify.app/>

Designed and developed a web application that provided seafood sellers with an advanced platform to efficiently interact with their customers

- Incorporated use cases such as adding and removing various kinds of food from the inventory with a login facility for the maintainer
- Developed a visually appealing user interface (UI) that enhances the user's experience and facilitates smooth application navigation.

ACHIEVEMENTS

- Secured Rank in the top 10% in JEE Advanced 2020, and 96.50 percentile in JEE Mains 2020 among the 11,50,000 appeared candidates.
- I committed to #100DaysOfCode on Twitter 2-times and completed the challenge, gaining a lot of knowledge and consistency through it.

EXTRA CURRICULAR ACTIVITIES

- Silver medal, Ball-in-the-hoop, Fun Fest 2022.
- Represent IT Branch in Basketball tournament organised by Sports Committee, UIET Chandigarh, Panjab University
